

KID'S CLUB PASSPORT

OUTRIGGER[®]
ON THE LAGOON • FIJI

THE PERFECT HOLIDAY FOR YOUR CHILDREN...AND YOU!

We are thrilled to offer two fantastic clubs to entice, excite and entertain your children, Little Riggers (3-7 years) and Beach Riggers (8-12 years). Both groups provide a huge variety of fun, age appropriate activities and cultural experiences. Fijian people are renowned world-wide for their friendliness. They also absolutely adore children! Outrigger's fabulous Fijian staff combine with great Resort facilities to create a holiday of a lifetime for your young ones.

To encourage your child to attend we offer this Kid's Club passport—one per child. In it you will find the Little Riggers and Beach Riggers daily activity times and listings. Please note that from time to time the activities listed are subject to change without prior notice and the two Riggers groups may need to be combined. This will generally be due to weather conditions or a special event happening in the Resort. The passport has room for a photo and/or journal entry that your child can keep as a memento of their time with us. It also ensures that our staff have important information on hand when required. We ask that your child brings their passport with them when they register daily at their respective Club.
